Like us   

Back in 1986, 32 Years ago Marios Vasiliou formed Aphrodite Pools in Athens, focusing on construction of swimming pools.

After 1992 the company expanded to manufacture steam bath, sauna, hammam, Thalassotherapy centers, Spa's and Water Features.

In 2006 company expands in Nicosia with his son Spyros Vassiliou the founder of DIVE IN POOL CENTER.

Our great love for the construction and creation led us to perfection.

Today after so many years what sets us apart is:

Our Story of success and our eager for improving and keep searching for Excellence!!!
